Day 2 Wine tasting Lake Geneva

After breakfast you are going to experience a beautiful round trip around Lake Geneva. We first drive on the lakeside road in France to the picturesque fishing village Yvoire before we continue to Geneva. With its humanitarian tradition (UNO, Red Cross) and cosmopolitan flair the city is known as the "capital of peace". After a stay, we proceed along the vineyards of the Lake Geneva and stop for a wine tasting. Return to the hotel. Dinner and overnight.

Day 3 Cheese – Chocolate

Today is all about chocolate and Swiss cheese. By bus you drive over the Col du Pillon to Gstaad. Stay in the chalet village, where many celebrities have their vacation home. You continue to Gruyères to the cheese dairy. Here you have the opportunity to look over the shoulders of the cheese makers and to see how Gruyere cheese is made. Then drive to Broc to the Cailler chocolate factory. In the visitor center you can find out how cocoa beans were discovered and much more. You can also see the production and try as many chocolate as you want. Return to the hotel. Dinner and overnight.

Day 4 Mont Blanc

After buffet breakfast we travel to Martigny where we board the Mont Blanc Express for a breathta-

king ride on its railway, past thundering waters and over deep valleys towards Chamonix/France. Enjoy spectacular views of the impressive Glaciers of the Mont Blanc massive. In the alpine centre of Chamonix you will have ample free time to browse around or take an optional ride on one of the cable cars or another railway ride to the Montenvers station with the possibility to visit the gallery of the Mer-de-Glace (ice grotto into the glacier).
